

Mad Poet Libs

The "Best Love Story"
Is when you start loving yourself
On better days we sound like _____
_____ over each other (nouns)
(Verbing)
But still in sync
Push and pull into something
bigger than ourselves
The "Best Love Story"
Is about you
And the parts of your
learning to _____ into (verb)
Is about two people
who look
Exactly the same
But can't face
each other
